Empowerhouse Supporting Survivors of Domestic Violence (formerly Rappahannock Council on Domestic Violence) offers support programs for domestic violence. A support group for survivors in the planning district is currently meeting virtually on Monday evenints from 6:00 pm until 7:30 pm. Please call

Batterer Intervention is a 24 week educational program for men who have been abusive to their partners. A comparable program is also available to women who have been abusive to their partners. Contact Mendy Pierce at mendyp@empowerhouseva.org for more information.10/

Victim Support Groups are curriculum based programs for women involved in an abusive relationship. An open support group is offered to women waiting to be placed in a closed group.

Teen programs and children's groups are also offered. Please call for information.
