Virginians Opposing Drunk Driving provides a non-profit, special interest organization dedicated to the prevention of people driving automobiles under the influence of alcohol, in effort to save lives and injuries to innocent people. Our mission is to educate the public of the dangers of drinking and driving, to provide information and to assist victims or survivors of alcohol related crashes.

This program assists the victims of drunk driving by helping them to get through the court process, referring them to other agencies when needed, such as for grief

counseling, providing individual and peer counseling, and acting as advocate for them. The program also offers speakers and printed material(s). Virginians Opposing Drunk Driving is a non-profit corporation. Donations are accepted and are tax deductible.
