English

The American Red Cross Virginia Region provides community bloodmobile to accommodate those who volunteer to donate their blood so that the Red Cross can assure a safe, adequate supply of blood to the Virginia hospitals served. You can schedule your own donation on the website and even check the the new Blood Donor App to find local blood drives, make appointments, and track who is receiving

your donation.

To find your local donation center [check the locator page](#).

This program is accessible for the handicapped.
