Pharmacists are available to answer questions on prescription and over the counter products, vitamins and supplements, diabetes care products and other health related issues.

Martin's pharmacies offer a year-round adult immunization program. Pharmacists are certified to administer many adult immunizations including influenza, pneumonia, hepatitis A and B, tetanus, meningitis, and a variety of travel vaccines.

Many pharmacists have participated in national training programs to educate and monitor patients on smoking cessation as well as diabetes, hyperlipidemia, asthma, hypertension and osteoporosis. Stock and cater to the needs of individuals with diabetes. Offer nutrition programs, shopping guides, videos and other information. Martin's Pharmacies feature generics that are FDA and Virginia Voluntary Fomulary approved.

Free blood pressure screenings are available at all times.

A Wellness Day is a schedule day of screenings held throughout Central Virginia in their Pharmacies. Martin's Pharmacists or professionals from local health organizations conduct the screenings. Some of these screening require a small fee and fasting, more information is available at the Pharmacy. Stop by today for a complete schedule of Wellness Days. If their schedule doesn't match yours, talk with the Pharmacist about scheduling an appointment for any of these screenings: Free blood pressure checks; Flu and Pneumonia Vaccines; Total cholesterol including HDL; Complete lipid profile includes cholesterol, HDL, LDL and triglycerides and

requires a 12 hour fast; Blood glucose to screen for diabetes.
