Merck offers Patient Support Programs. The Merck Patient Assistance Program (Patient Assistance) makes Merck medicines available free or at low cost to qualified patients. Patient Assistance Program provides certain medicines and adult vaccines free of charge to eligible individuals who do not have insurance or whose insurance does not cover their prescription Merck products.

Call toll-free 1-800-727-5400 for more information and qualifications.

Please understand that incomplete or incorrectly completed applications will be returned to your doctor. This will slow down the processing of your request.

Applications should not be photocopied - only original applications will be processed.

See [Merck Vaccine Patient Assistance Program](#) also.

Merck also offers coupons for Merck products.
