Virginia TRIAD works to protect the elderly population. TRIAD is a cooperative effort of law enforcement agencies (police/fire/rescue), senior citizens, and senior organizations, focused on reducing crimes against the elderly. TRIAD works to keep older Virginians informed of their rights. A major purpose of TRIAD is to develop, expand and implement effective crime prevention and education programs for older Virginians.

At the local level, TRIAD improves the quality of life for Seniors by providing an active exchange of information between local law enforcement and seniors, speaking engagements, targeted training for seniors, and more.
