Automobile loans are made to enable a person with a disability to purchase a van or car, and to make necessary modifications. These loans are made for vehicles that

are modified to accommodate a specific disability (wheelchair lifts, hand controls, etc.), and are secured by the vehicle. Financing for up to 100% of the vehicle may be available.

Applications for low-interest loans can be accessed via the ATLFA web site at www.atlfa.org or by phone at 866-835-5976 to request an application.
