Genentech Access Solutions can help you manage co-payments for your prescribed Genentech medicines. We can work with you if:

- You have no health care plan
- Your health care plan turned down paying for your medicine
- You have a high co-pay or co-insurance

Patient assistance support is for eligible patients in the United States who don't have insurance coverage or who can't afford out-of-pocket co-pay costs.

[Visit the Access Solutions](#) website. Call the Genentech Access Solution Support Line at 866-422-2377.

Every effort will be made to address language or other special caller needs.
