Virginia Career VIEW (Vital Information for Education and Work) is the Career Information System for the Commonwealth of Virginia. We provide information to all citizens about educational and career opportunities. For instance, if you want to find information about a college, call the VIEW Career Line @1-800-542-5870. If you want to explore your interests and find out about a variety of careers, search the VIEW Career Search on the website.

Call the information hotline and speak with staff member who can send you information on your field of interest. Provides information on occupational outlook, work requirements, salaries, post-secondary education, military training, apprenticeships, licensure and more. Information on financial aid, post-secondary schools and other training opportunities in Virginia.

Service Area(s)

Statewide
