United Negro College Fund (UNCF) serves students, communities, and the nation by helping minority students from low-income families go to and through college. UNCF carries out this mission by providing 10,000 scholarships each year by supporting the education of students at 37 UNCF-member historically black colleges and universities (HBCUs) and by serving as one of the country's most prominent advocates for the importance of minority education and community engagement.

To apply for a UNCF scholarship, you must apply through the [on-line application process](#).
