United Ostomy Associations of America (UOAA) offers ostomy information and care guides on the website, as well as advocacy information and links to helpful resources to learn how public policy is made and to show how you can be a part of the process.

UOAA is an association of affiliated, non profit, support groups who are committed to the improvement of the quality of life of people who have, or will have, an intestinal or urinary diversion.

UOAA newsletter is available, as well as The Phoenix Magazine, the official publication of the UOAA. Call for more information.
