Mid-Atlantic ADA Center provides information on all aspects of the Americans with Disabilities Act (ADA) to individuals, businesses, government entities, and organizations in the Mid-Atlantic region. The Center has an extensive library of ADA and disability-related publications. These include full regulations, technical assistance manuals, architectural guidelines, fact sheets on different aspects of the law, guidelines on implementing employment provisions, and other federally-

approved publications. Most materials are available in large print, Braille, audio CD, or computer disk. The ADA Document Portal also has a collection of over 7400 documents related to the Americans with Disabilities Act.

The Center's ADA In Focus newsletter is published three times each year. It is available online or in hard copy. Call 800-949-4232 V/TTY for a copy.
