ADA Information Center for the Mid-Atlantic Region offers free or low-cost training programs to help employers, service providers, businesses or even individuals with disabilities understand and comply with the Americans with Disabilities Act (ADA). Training can be adapted to the needs of the audience. Visit the [ADA resource training center](#) for a list of upcoming classes and workshops. The center also has a series of [ADA web-based training](#) which may be completed online. Additional information is available on the [Department of Justice's ADA website](#).
