VCU Medical Center at Stony Point offers the same specialty health care as the downtown Medical Center, only in a suburban setting. Specialty physician services, diagnostic techniques and treatments, clinical trials and health education, are offered as outpatient care.

One of the core programs is the VCU Institute of Women's Health Center. A branch of VCU's Massey Cancer Center is located here. Other services available at this facility are Ophthalmology, Internal Medicine, Pediatrics, OB/Gyn, Psychiatry, Surgery, Dermatology, Orthopedics, Neurology, Radiology and Lab, Human Genetics.
