The International Soundex Reunion Registry is a non-profit, tax exempt, charitable organization founded in 1975. ISRR is a mutual consent reunion registry for persons desiring a reunion with next-of-kin. This agency serves the needs of family members who have been separated from each other by adoption, divorce, foster care, institutional care, abandonment, crisis, war, etc.

When a registration is received the information is computerized. If data matches and the ISRR registrar determines a relationship exists, both parties will be notified immediately.
