BPW Foundation is a research and education organization. The work of BPW Foundation supports workforce development programs and workplace policies that recognize the diverse needs of working women, communities and businesses.

National organization that promotes equity for all women in the workplace. The BPW/USA Career Center offers career opportunities for a range of experience levels from young careerists to executives. There is no cost to job seekers who want to post their resume and/or create a profile. Email alerts can be sent when an employer matches your profile and selected criteria.

Employers and recruiters can access the most qualified talent with relevant work experience to fulfill staffing needs. Active job seekers can showcase their skills and work experience to prospective employers to find the best job opportunities, while others can take advantage of networking, training and career development services.
