ATLFA provides a funding alternative for Virginians with disabilities to acquire assistive technology that can enhance their independence and improve their quality of life.

Low-interest loans for a wheelchair, motorized scooter, Braille equipment, hearing aids, low vision aids, communication systems, environmental control devices, building and home modifications for accessibility or telecommunication devices for the deaf or other assistive technology.

Applications for low-interest loans can be accessed via the ATLFA web site at www.atlfa.org or by phone at 866-835-5976 to request an application.
