Novartis offers a Patient Assistance Program (PAP) to those experiencing financial hardship. Either customer or physician can call the Toll Free number to request an application be faxed, or application can be downloaded from the website. Both individual and physician must complete and sign the application.

Qualifying individuals are eligible for up to one year of assistance. Medication will be shipped directly to the physician. Call for medicines that are available for

prescription assistance. Visit [Patient Assistance Now](#) for more information or [Support for Uninsured Patients](#).

Together Rx Access is a prescription savings card for non-Medicare, noninsured Americans and their families.
