Office of Women's Health (OWH) addresses women's health issues, educates consumers and health care professionals, and more. OWH offers a variety of

Helplines to connect consumers with information and resources to answer their health questions. No medical diagnosis or answers to medical questions are available, consumers will have a helpline number to call. All medical questions should be directed to a doctor or nurse.

Information specialists are trained to handle relay calls for those who use relay services. If you call after hours, you will be given the option to leave a message. Helplines available include

- Mental Health National Helpline - 1-800-662-4357
Disaster Distress Helpline - 1-800-985-5990
Military Safe Helpline - 1-800-656-4673
National Dating Abuse Helpline - 866-331-9474 or 1-866-331-8453
Breastfeeding Helpline - 1-800-994-9662

Visit [National Helplines](#) for more details.
