BlazeSports provides sports programs for youth with physical disabilities and veterans.

Some of their programs are wheelchair basketball, wheelchair tennis, track and field, swimming, quad rugby, indoor wheelchair soccer, boccia, bowling, cycling, powerlifting, and soccer.

Veteran Adaptive Sport Programs offers training, support and opportunities to stay healthy and be active all year long. Veterans can compete, try something new or stay fit. Programs promote inclusion and encourage the participation of family members and friends alongside the athletic.
