Autism Outreach's Applied Behavior Analysis (ABA) consultation and therapy are provided to children on the Autism spectrum. A comprehensive, customized program is offered to meet the specific needs of each child and his or her family. Individualized programs are developed that best meet these needs and strive to provide each family with support, guidance, and personalized consultation. Programs are developed using Discrete Trial Teaching, Fluency Instruction, Verbal Behavior and Pivotal Response Training methodologies.

Social skills groups and programs are also offered for children of various ages.

The Reston Park and Ride is located directly behind the office.
