Quit Now Virginia provides free information and coaching by telephone or online as part of the Virginia Tobacco Control Program. There is no limit to the number of times anyone can call the quitline. [Quit Now Virginia is also available online.](#)

Eligible callers can receive counseling, Text2Quit messages, mail information, and self-help materials. Information is available about local community resources. More intensive treatment services are available to the uninsured, pregnant women, and youth who want to quit and enroll in a multiple-session service with counselor-initiated calls.

Funded by the Virginia Department of Health Tobacco Control Program.
