Lions of Virginia offers financial assistance to help with eye exams and eyeglasses to those who qualify.

Each club can collect and distribute used eyeglasses and provide financial assistance in some cases to help obtain eyeglasses or eye exams.

For students, the parents should contact the school nurse and ask for a voucher for an eye exam and glasses. There will be instructions on the voucher.

Adults who need help with eye exams or eyeglasses can call 540-342-5466, give their zip code, and a Club near that zip code will be given to you.

Also call if you need help with exams or purchasing hearing aids.

Call for information or find a local representative at the website.
