Virginia Housing provides [an online search for rental housing](#) in Virginia. Types of rental housing include accessible, tax credit, Section 8, and market-rate units.

Landlords advertise for free; renters search for free.

Tenants can search for housing by monthly rent, property type, location, number of bedrooms and bathrooms, pet friendliness, and other criteria. An income calculator

affordability tool is available.

A toll-free call center is available five days a week to assist in English or Spanish. Services are also available by fax, email, and mail. Tenants can call to request a custom housing search based on the criteria they provide.
