The Abbott Patient Assistance Foundation's Medical Nutritionals Patient Assistance Program offers assistance for nutritional products to patients experiencing financial difficulties. Eligible patients typically do not have healthcare coverage for the requested product through public or private insurance. All applications are reviewed on a case-by-case basis to support the Abbott Patient Assistance Foundation's purpose of providing free products to individuals in need.

To be considered, please download the form and return it to the address on the form.

To obtain more information or an application for enrollment, you or your health care provider can contact at 1-800-222-6885.
