Alcoholics Anonymous is a fellowship of men and women who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership. AA is supported by the voluntary contributions of its members.

AA is not allied with any sect, denomination, politics, organization, or institution;

does not wish to engage in any controversy, neither endorses nor opposes any causes. The primary purpose for members is to stay sober and help other alcoholics to achieve sobriety.
