Easter Seals programs across the country provide a wide variety of interventions that help individuals of all abilities, including those with Autism Spectrum Disorder (ASD). Call for information about services for young preschool children and school-

aged children and youth.

Easter Seals also has services for adults with Autism. Through therapy, job training, residential and social integration services, Easter Seals provides independence options many adults with Autism never thought possible.

Easter Seals provides services for individuals with autism, developmental disabilities, physical disabilities, and other special needs.
