American Chronic Pain Association offers peer support groups in several locations in Virginia, including Alexandria, Fairfax, Herndon, Newport News (may be Phone Support Only), and Winchester. The goal of an ACPA group is to provide support, validation, and education in basic pain management and life skills. Groups are facilitated by the group members themselves and the success of the group is a shared responsibility.

These groups offer support and information to those persons living with chronic pain.

Please call the tollACPA Support Groups welcome anyone who is living with an ongoing pain problem-free number, 1.800.533.3231 for information to contact one of the support groups. Groups may meet virtually or in person or by phone. Other support groups may be forming.
