NeedyMeds offers a drug discount card that provides a savings on many medicines. The card is free and open to everyone. There is no registration and your entire family can use the same card. [Download a card](#) and learn about its benefits.

Note: You can choose to use the NeedyMeds discount card and not use your insurance if the NeedyMeds card is beneficial. The card may be used by those without insurance. Note: Every time the card is used, NeedyMeds receives a small amount to keep the website up-to-date and growing.

The [\\$4 Generics Drug Program](#) has a list of pharmacy retailers' prescription programs which offer generic medications for a discounted price. Charges range from \$4-\$15 for a 30-day or 90-day supply. These programs make it possible for those struggling to pay for the medication to access them.

Some generic drug programs require enrolling as a member and/or paying an annual membership fee while others do not require any membership enrollment at all. Before enrolling into a program, read the fine print.
