The Colon Cancer Alliance's Blue Hope Financial Assistance may be able to financially help qualified individuals who are dealing with cancer screening and cancer care. A one time check for \$200 may be available to help with daily expenses such as household bills, transportation, child care or food.

There is a Screening Support Program if you need low- or no-cost screenings, such as colonoscopy or fecal immunochemical test (FIT). Call the Helpline at (877) 422-2030 to be referred to a service.

If you have questions or need help with the application, our certified patient and family support navigators can help you on our free Helpline, (877) 422-2030, Monday-Friday from 9am-5pm EST.
