NAMI offers Virginia Help Line. The toll-free Help Line can provide information and resources to callers who are seeking information about mental illness topics. The Help Line can assist with locating support groups and educational programs; information on how to access the mental health system; and general information about mental illness, education, support, and recovery.

The Help Line is not a crisis hotline. Please call 1-888-486-8264, ext 202, or 804-285-8264, extension 202. The Helpline is available Monday through Friday, 9 am until 5 pm EST. Call 911 if you are experiencing a crisis or Visit the [Crisis Page](#). You can also text 988, the suicide and crisis line.
