Talisman Programs offer summer camps, school, and an independent living program for young people with learning disabilities, ADHD, Asperger's Syndrome, and high functioning autism. Talisman has been offering summer camp experiences for children ages 8 to 22 since 1980 and is ACA accredited. Camps are divided into ages (6-7, 8-13, 13-17 and 18-22). Call for more information.

Special attention is given to nutrition, life skills and daily routines with built-in downtime. Talisman's summer camps provide parents with unique alternatives to ordinary summer camps and offer children with special needs a summer full of fun, adventure, and new learning experiences.

All programs are multi-sensory.
