CareConnect USA offers several programs for individuals who need debt relief.

Credit Card Debt: families with troubling debts such as credit cards, medical bills or loans from finance companies. Relief may be available from high interest rates, late fees and charges. CareConnect will contact creditors and arrange for rate

reductions and waive fees. A debt management program with a single payment to take the place of several smaller payments will provide an easier way out of debt. Call 1-888-790-1337

Student Loan Relief: For students, graduates and parents having trouble making their student loan payments. CareConnect can drastically reduce the monthly payment to be affordable based upon current income. Loan forgiveness programs may be available for debtors working in certain professions of public service or non-profit agencies. Call 1-888-669-1064

Tax Relief Helpline: For citizens who owe back taxes to the IRS or state. Counselors at CareConnect will discuss options available to reduce amounts owed based upon ability. Callers with less than \$8000 in tax debt or with general questions should call the IRS directly at 800-829-1040. Otherwise call 1- 888-452-7841
