Charter Senior Living at Fredericksburg offers respite care for individuals who need assistance with activities of daily living. Respite can give the primary caregiver a much-needed break.

Short-term stays are for seniors who need care after a hospital stay, when family members travel out of town, or simply need a short respite break from the stresses of caregiving.

Short-term stays can vary from a minimum of 30 days to months. Short-term guests enjoy housekeeping services, dining, community activities, transportation, and other amenities, as well as coordination of any necessary medical care and help with daily living activities.
