Virginia Comfort Zone offers Family Support in the form of online support groups and a family camp. A seven week session for children, teens and adults is offered once or twice a year to children and teens ages 5-18 who are grieving the death of a parent, sibling or guardian. Adult groups are available to those who have lost a child or spouse.

During 2022, here are coming events:

- In-person and virtual camps for children (7-17 year-olds; 18 if still in high school)
- In-person and virtual camps for parents/guardians
- In-person camps for young adults (ages 18 - 25)
- Virtual support groups
- Custom workshops for groups
