Paragon Autism Services is an approved Medicaid provider of in-home Applied Behavior Analysis (ABA) services for individuals aged 1 through 21 diagnosed on the autism spectrum.

Services are primarily provided in the comfort of clients' homes, daycare facilities, and community settings. They prioritize the involvement of families by providing ongoing training and support. Additionally, they collaborate with other professionals, such as school personnel to ensure a coordinated approach to intervention. They also provide educational advocacy to assist families in navigating educational systems when needed. Each client receives intensive therapy, tailored to their individual needs, with therapy hours typically ranging from 10 to 25 hours per week.
