The Virginia Department of Emergency Management (VDEM) is a state agency offering disaster preparedness information and education. Visit the website to learn how to be prepared for disasters such as floods, hurricanes, earthquakes, fires, health emergencies, cyberattacks, terrorism, lightning, and more

Key elements of disaster preparedness are making a plan, getting a kit, and staying informed. [Visit the website](#) for more valuable information.

The Virginia Department of Emergency Management is headquartered in Richmond, Virginia. VDEM's seven regional coordinators also maintain offices within their territories to serve as a base of operations for Local Support Services Division staff. Call for more information or for your regional office at 866-782-3470 or e-mail pio@vdem.virginia.gov.
