The Fredericksburg Christian Health Center (FCHC) provides primary care. Focus is on caring for the whole person--body, mind and spirit--in order for healing to come about in all three. We offer whole family care, including pediatric and women's health.

Procedures performed include skin biopsies, cyst removals, skin tag removals, suturing, drainage of abscess, freezing warts, well women exams, well children exams, Medicare wellness exams and more.

You may be eligible for our subsidized medical program.
