CrissCross, a division of Money Management International offers professional nonprofit representative payee services designed to enable families to successfully manage their money. If there is not an office in your state, we can also assist individuals and families by phone and online.

CrissCross offers a unique and personalized approach to not only assist caregivers and beneficiaries through effective representative payee services, but also to provide caregivers and families with valuable financial education programs. The trained and compassionate caseworkers at CrissCross work toward this mission while serving individuals and families across the country by phone and Internet, from 8:00 a.m. to 4:00 p.m., Monday through Friday
