Virginia Department of Education offers a statewide project, Training and Technical Assistance Centers (TTACs). There are seven regions across the state that offer a resource for professionals and family members of children and youth with disabilities (birth to 22). The website offers a wide range of resources, events (training, conferences and webinars/webcasts) and free online training opportunities.

Visit [TTAC Online](#) for a list of topics that are covered. Select your county/school district to find the TTAC Region you live in.
