Rappahannock Area Community Services Board (RACSB) supports individuals with developmental disabilities to live in the community, but some individuals require more care than could be provided in a traditional group home. RACSB

provides Intermediate Care Facilities (ICF) to meet these needs.

RACSB offers three ICF locations, which provide high levels of services in a home-like setting. Like group homes, these facilities are in neighborhoods throughout the area; however, these homes include more safety features designed for individuals with profound needs. Each ICF also offers a higher staff-to-individual ratio, medical care and specialized equipment.

Emergency services are offered 24 hours per day, 365 days per year by calling:

- Fredericksburg (540) 373-6876
- Stafford County (540) 373-6876
- Spotsylvania County (540) 373-6876
- Caroline County (804) 633-4148
- King George County (540) 775-5064.
