The Rivermont Autism Program (RAP) provides academic and behavioral services for students in grades K-12. The RAP focuses on family-centered, evidence-based treatments with a foundation in Applied Behavioral Analysis (ABA) and Verbal Behavior. Individualized programs provide:

- Academics
- Behavior management
- Communication
- Social skills
- Generalization of acquired skills
- Preparation for return to the least restrictive environment
- Preparation for adult transition including activities of daily living and vocational skills
