LEAP (Learning Excellence in Academics Program) is a program for vision impaired college bound students. The program is a 3 week opportunity for rising high school juniors and seniors and high school graduates to assess college-readiness skills, enhance awareness of the academic and blindness related demands of college and evaluate the ability to manage their time and priorities.

Classes are taught on the campus of VCU by college professors or graduate students. Please call for more information.

Service Area(s)

Statewide
