Advantage Behavior Consulting provides Applied Behavior Analysis (ABA) services to individuals diagnosed with intellectual and developmental disabilities. These services can include:

- community and home-based services
- life and social skills
- family and parent training
- school consultation
- natural environment teaching
- behavior support
- functional communication
- IEP consulting

Along with this, they provide Clinical Supervision, which includes direct Board Certified (Applied) Behavior Analyst (BCBA/BCaBA) certification; professional development; training; registered behavior training (RBT) supervision; and continuing education (CE) provider.
