*****This agency is a recipient of the Autism, Behavioral Supports, and Complex Health Supports Provider Specialty Designations.*****

In-Home Support provides support to individuals living in their own home, either by themselves or with their natural family. Strengths and needs are assessed to determine how the person can best be supported to live as independently as possible. Individuals must be able to function independently most of the time, be able to identify and avoid danger and know when and how to call for help. Wall Residences provides this service for people of all ages.

Services to individuals with long term mental illness and services to children may be available on a case by case basis.
