Holistic Care Services LLC is certified to provide community guide services within Virginia, which includes a general community guide and community housing guide. Their main goal is to provide a wide range of services to individuals with intellectual and developmental disabilities. Holistic Care Services provides direct assistance to promote individuals' self-determination through brokering specific community resources that lead to connections to, and, independent participation in integrated, independent housing. This includes support with an individual's move to independent housing by helping with transition and tenancy sustaining activities. They also collaborate with the support coordinator, regional housing coordinator, landlords, and others to enable the individual to achieve and sustain integrated, independent living.

The main office is located in Fairfax County, metro stations and bus stops are nearby.
