The goal of the 2020 Census is to obtain a complete and accurate count of everyone living in the United States. Before you complete the census, you need to know where to count yourself and who. For some households, the census is straightforward. Others (college students, service members, etc) may have questions. Information, contacts and support for help completing the 2020 Census can be found at [2020 Census Support](#). The English hotline number is 844-330-2020. Visit the website for information about a live agent support line in Spanish, Mandarin Cantonese, Vietnamese, Lorean, Russian, Arabic, Tagalog, Polis, French, Haitian

Creole, Portuguese or Japanese.
