Virginia Fresh Match (VFM) is a network of farmers' markets and food stores across Virginia that offer nutrition incentives. VFM nutrition incentives double the value of federal nutrition benefits like SNAP (Supplemental Nutrition Assistance Program, food stamps) spent at participating farmers' markets and food stores. With Virginia Fresh Match, low-income consumers can afford additional healthy food, local farmers gain new customers and make more money, and more food dollars stay in the local economy.

[Visit the website](#) to find Virginia Fresh Match farmers' markets and grocery stores in your area.
