University of Virginia's Health System has a Parkinson's Disease and Movement Disorders division. It consists of four movement disorder neurology experts, a nurse practitioner, and a nurse case manager. Providing consultation and management for a range of neurological disorders characterized by involuntary movements and

impaired motor control.

The UVA Huntington's Disease Program has been designated as a Center of Excellence by the Huntington's Disease Society of America since 2000 and provides interdisciplinary services through a monthly clinic dedicated to the care of patients and families with HD.

The comprehensive interdisciplinary treatment approach includes:

- Pharmacotherapy
- Non-pharmacologic therapy
- Chemodenervation
- Deep brain stimulation (DBS)

To make an appointment, please call (434) 924-2706.
