Healthcare Journey aims to be a respected, valued, and useful Virtual Multiple Sclerosis Center for all patients, caregivers, healthcare providers (HCP), and payors. The Center provides quality information and services about how to best manage Multiple Sclerosis (MS) conditions and symptoms. On Healthcare Journey, questions can be asked to MS specialists. Learn about symptoms and ways to manage them. Learn from others who have MS. Learn about MS treatments. Find the latest news, events, and research in one place. Register to receive updated information. Personal information will not be distributed or sold.

Service Area(s)
